FOR IMMEDIATE RELEASE

## KAUFFMAN CHIROPRACTIC HELPS FEED THE HUNGRY Donation Helps Food Bank of Northwest Indiana

Gary, IN— Kauffman Chiropractic uses their passion to educate others about chiropractic care to raise money for local charities. On Thursday, January 12<sup>th</sup>, Kauffman Chiropractic arrived at the Food Bank of Northwest Indiana to make a charitable donation.

Each month Kauffman Chiropractic promotes a special that allows new patients to take advantage of first day services. These services are provided in exchange for a \$20 donation to a local charity. Clients were happy to give to the Food Bank. A check for \$1,500 was presented to the staff at the Food Bank Thursday morning.

“We’re very grateful to Kauffman Chiropractic and their clients for helping to support the Food Bank,” says Volunteer/Special Events Manager Chanda Dixon. “Kauffman is really great about helping us out when we have events like our Hope’s Harvest Walk/Run. They are always willing to come out and do free screenings which helps us offer another service to our participants, so we really enjoy working with them throughout the year,” Dixon adds.

The doctors and staff of Kauffman Chiropractic believe in staying active in their community through philanthropic promotions. This month’s promotion is \$20.12 for first day services with proceeds benefitting a different charity.

Kauffman Chiropractic has been providing state of the art chiropractic care since 1989 with two convenient locations to serve the community in Merrillville and Crow Point. For more information call 219-736-7363 or access their website at [www.kauffmanchiro.com](http://www.kauffmanchiro.com).

The Food Bank of Northwest Indiana is located in Gary and supplies food to over 100 pantries and soup kitchens in Lake and Porter Counties. In addition to distributing food to their member agencies the Food Bank also runs the Backpack, Kid’s Café, Mobile Pantry, Food Rescue and Pantry on the Go programs and offers pantry referrals. Last year the Food Bank distributed over 5.1 million pounds of food, and served over 5,000 individuals a week.
